Enregistrement d'Ysatis assistante anglaise sur Argentan

My name's Ysatis and I'm 23 years old.

I'm from England. In England I live in Lincoln in Lincolnshire. It's in the east midlands of the UK. I'm originally from London. Hammersmith to be precise. That's where I was born and grew up.

My mum still lives there. My dad still lives there too. I have three brothers and four sisters so we are quite a large family.

In England I have a cat, her name is Lucy. I also have a goldfish, his name is Goldie.

My favorite colours are pink green and blue.

My hobbies are playing badminton, reading and playing basket-ball. I also enjoy going out with my friends and I love having picnics in the park on warm days.

Happy Holidays!
