Deux enfants se retrouvent pour préparer la fête d'Halloween.

- 1- **Sally** : I'm coming ! Oh ! Hello Jim ! I was waiting for you. Come in. How are you ?
- 2- **Jim** : Happy Halloween Sally ! I'm fine, thank you. I hope I'm not too late to help you for the party.
- 3- **Sally** : No, I was about to prepare the food. Hmm, it's three o'clock... Fine ! Our friends come at five. We've got two hours left. Come with me to the kitchen. OK, can you open the fridge ? We need ham, butter, salad.
- 4- **Jim** : Do you want cheese for the sandwiches ?
- 5- **Sally** : Yes, please... Where is the bread ?
- 6- **Jim** : It's on the table, next to the apples.
- 7- **Sally** : OK, thank you.
- 8- **Jim** : There you are Sally. Ham, salad..., butter and, ...cheese. Can I help you doing something else ?
- 9- **Sally** : Yes, you can prepare the pizzas. Don't forget, they have to look scary ! Look, here is the pastry and all the ingredients you can put on it.
- 10- **Jim** : Hum... I know ! I put some tomato sauce and grated cheese on top. Look ! It looks like blond hair ! Then, two black olives for the eyes and a green one for the nose.
- 11- **Sally** : What about the mouth ?
- 12- **Jim** : Let me think...! Ham for the mouth, and now...I cut cheese in triangles : look at these sharp teeth ! Can you see the head of my pizza-monster ?
- 13- **Sally** : Waooh ! Scary ! Put it in the oven for 8 minutes now. Oh and we also have to cook chocolate cakes. Can we use cream to draw a spider web on top of them ?
- 14- **Jim** : Oh yes, what a good idea !(later) What time is it, Sally ?
- 15- **Sally** : Quarter to five ! It's time to go and put our costumes on. Look, this year, I'm wearing a long black dress, a black hat and I have a broom. Guess who I am !
- 16- **Jim** : You're a witch ! Guess mine : I have a small head with two big eyes, a big round black body and eight long black hairy legs.
- 17- **Sally** : Awful ! You're a spider ! Oh ! Our friends are here ! Hurry up !
- 18- **Children** : Trick or treat ?
- 19- **Jim** : Treat !
- 20- **Sally** : Come in ! We've got lots of scary food to eat.
